**SOUTHERN BAPTISTS REACH
CAPITAL NEEDS GOAL**

NASHVILLE, Tenn.--(BP)--November 3 was a happy time for Southern Baptists. On that day the Cooperative Program Capital Needs goal of \$3,000,000 was reached--four days earlier this year than last. The total Cooperative Program goal for 1953 is \$8,000,000 plus the \$192,000 operating budget for the Southern Baptist Convention, or \$500,000 more than last year.

All money above the \$8,192,000 mark constitutes the Advance Program or third phase of the budget. The first \$160,000 of this third phase goes to the Carver School of Missions and Social Work, Louisville, Ky.. Because of large checks from several states this \$160,000 was realized on November 5, just two days after the reaching of the Capital Needs goal. The remainder of the Advance Program will be divided 75 per cent to the Foreign Mission Board and 25 per cent to the Home Mission Board. Report of this achievement was made by the office of Porter Routh, executive secretary-treasurer of the Executive Committee.

Total receipts for both Cooperative Program and designations through October, 1953, were \$13,574,708. This is a 11.77 per cent gain when compared to the \$12,145,459 received during the same period in 1952.

Total Cooperative Program receipts during the month of October were \$774,049, bringing the year's total to \$8,102,356. This is an increase of 8.42 per cent as compared with last year's receipts of \$7,473,166.

Designated receipts during October were \$107,129. This brings the year's total to \$5,472,352, a gain of 17.12 per cent over last year's total of \$4,672,292.
