WMU CONVENTION  
BY: Mrs. George R. Martin, President  
Woman's Missionary Union

Woman's Missionary Union will meet in St. Louis, Mo., May 30-June 1, for many reasons. We believe that the world's crucial situation needs Christian women; we believe there is a word of God for our time and that together we can discover his power and his will. We will go seeking the ways in which Woman's Missionary Union can render its most signal service. We will go seeking a new dimension of thinking in some areas we care most about. We will go to St. Louis to quicken our faith, to find new directives and to gain fresh hope. We will gather strength for new thrusts in life as women and as an organization. Many of our members will be denied the privilege of attending this meeting. Surely they will remember to pray fervently for those who do attend. The united prayers of all our women will be needed as we seek to find God's will and way!
