Dear Executive Secretary:

As you catch your breath again after the state convention season, we would like to ask you for a favor...

...one which will assure Baptist Press and you of giving your state convention or association the coverage it is due through the SBC news service.

As we do each year, we ask you to send us the dates of your executive board (general board, or comparable body) meeting dates for 1964. If they will be held other than in the convention headquarters, please say where they will be held.

As you or your editor knows, we will be in touch right away after these meetings to glean the newsworthy decisions. We appreciate the past help you and your editor have given Baptist Press in covering state convention as well as SBC news.

We strive always to increase the scope and caliber of our Baptist news reporting! Thanks for your interest and support, as well as direct help at a time like this.

Sincerely,

*Theo Sommerkamp*
