Dear Editor:

Here are three items especially for the state Baptist papers.

The interview by Jack Harwell with SBC President Franklin Paschall is for release April 27, publication date for The Christian Index. Former Index Editor John Hurt started the tradition of interviewing the SBC president two years ago, and as usual, the Index is sharing the interview with the other state papers.

The interview is being sent to you a week before it will be mailed to the full Baptist Press mailing list. Note that there is not a release date on the interview, but it is for use in your April 27 issue or later.

Two other items are enclosed: a Baptist Press photo of public relations awards to Southwestern Seminary; and a BP wrapup on the SBC Historical Commission meeting which will be mailed to the full BP mailing list tomorrow. It was the only story that developed today, so we wanted you to get it soon as possible.

The big push is on us in preparation for the Southern Baptist Convention in Miami Beach. Our tentative plans call for mailing the press kit to you on May 20 (Friday). See you in sunny Florida.

Sincerely,

Jim Newton
Assistant Director
