WORK STACKED TO THE CEILING: Secretaries in the Baptist Press office in Nashville literally stacked their work to the ceiling recently while compiling a comprehensive Press Kit for the reporters and editors attending the Southern Baptist Convention. Working on the 200 Press Kits, which included more than 90 items, were (left to right) Mrs. Marshall (Vivian) Buttrey, Baptist Press secretary, Mrs. Robert (Grace) Capra; and Mrs. Hugh Kenneth (Deanie) English III, all of Nashville. W. C. Fields and Jim Newton prepared the material in the kits. (BP) Photo
