Please make two corrections on story mailed July 11, 1967, headlined: Virginia Budget Would Cut SBC/Causes, Increase School Support. Please combine paragraphs seven and eight to read:

"In Nashville, the executive secretary of the Southern Baptist Executive Committee which channels Cooperative Program contributions to all SBC causes, said: 'We are sympathetic with the problems of Baptist schools, but we do not believe the answer is to be found in taking the funds from theological education, home and foreign missions and other SBC causes.'"

Please kill the last part of graph 7 which reads: "vocied opposition to the Virginia Board's action, which must get final approval from the state convention meeting Nov. 14-16 in Alexandria, Va."

In what would now be graph 9 (beginning "Routh pointed out...") add the following to the last sentence at the end, making line 4 read: "would have increased by \$57,000 over the 1967 allocations, and \$209,250 over what actually would go to SEC Cooperative Program causes in 1968.

Thank you.

Sincerely,

Jim Newton
