Editors:

Here is an urgent correction in the last graph of story mailed July 14 (Friday), headlined "Hunger in America Called National Emergency!" The key word: "no" was omitted, and it changes the whole meaning of the sentence, reversing the idea.

Please make last sentence of story read: He replied: "There is no doubt in my mind that we've given you an accurate picture."
(Adding words "no" and "my".)

Thanks for catching this,

Jim Newton
Assistant Director
