10TH ANNIVERSARY GOAL OF FOUNDATION REACHED

NASHVILLE--(BP)--The Southern Baptist Foundation has reached its 10th anniversary goal of \$2 million in total assets, according to T. L. Holcomb, of Nashville, Foundation executive secretary.

Approximate total assets to date are \$2,141,000, up about \$250,000 over assets reported in the yearly statement issued on Dec. 31, 1955.

This is the 10th anniversary year of the Foundation, which was authorized by the Southern Baptist Convention in 1946. C. H. Bolton was first executive secretary and Holcomb became executive secretary in 1953.

Since Dec. 31, six Southern Baptist boards and schools have placed additional trust funds with the Foundation. Interest from these funds, which are invested, is paid directly to the school and board placing the funds.

The Baptist Sunday School Board placed \$125,000 and the Home Mission Board \$100,000 from their reserves. The others placing trusts and the amounts are, Executive Committee, \$50,000; New Orleans Baptist Seminary, \$21,000; Golden Gate Baptist Seminary, \$15,000; Radio and Television Commission, \$12,000, and Brotherhood Commission, \$875.

Additional assets were placed by individuals, Holcomb reported.

Holcomb is retiring from the secretaryship on June 1 after three years in the post. A nominating committee has been chosen to recommend his successor.

"I am grateful for the confidence placed in the Southern Baptist Foundation by other agencies," Holcomb declared. "The Foundation exists primarily to serve the agencies and institutions of the Southern Baptist Convention."

THREE ORPHANAGES LIST CONSTRUCTION PROGRESS

By the Baptist Press

Progress reports on construction have been given by three Southern Baptist orphanages and children's homes.

Alabama Baptist Children's Home, at Troy, will start construction soon on a new cottage costing about \$75,000, according to Supt. E. E. Cox.

Mexican Baptist Orphan's Home, at San Antonio, Tex., dedicated two new cottages recently. E. J. Gregory, superintendent, said they make it possible for the home to serve 120 children now.

Oklahoma Baptist Orphan's Home, near Oklahoma City, will dedicate two new cottages Apr. 29. These units will bring capacity of the home to 215.

CONVENTION WILL VOTE
ON \$11 MILLION BUDGET

NASHVILLE--(BP)--A request that the Southern Baptist Convention adopt an \$11 million budget for 1957 will be one of the major recommendations from its Executive Committee during the annual Convention meeting in Kansas City, Mo., May 30-June 2.

The proposed budget, a record amount, will provide a strong support to the Convention's missionary program during a year already set apart as "World Missions Year."

The 1957 budget as proposed will provide the Foreign Mission Board with \$3,950,000 for operations and \$600,000 for capital uses.

To the Home Mission Board, it will provide \$1,050,000 for operations and \$500,000 for capital uses.

The budget includes only funds for seminaries, boards, and agencies supported by the Convention at large through its Cooperative Program, the Convention financial plan. The \$11 million does not include gifts for use by individual churches nor for use by state Baptist conventions within the SBC.

The 1956 budget under which the Convention is operating provides for spending \$10 million. Both the mission boards of the Convention received budgetary increases over 1956 in the proposed next year's budget.

The funds for capital use in the Foreign Mission Board remain the same but the operating budget has been raised \$750,000. The operating budget of the Home Mission Board is up \$265,000 and its capital budget is up \$60,200.

The recommendations of the Executive Committee, to be presented by Executive Secretary Porter Routh, of Nashville, are that the Convention continue its "Advance Program" under which all funds received over \$11 million are divided 75 per cent for the Foreign Mission Board and 25 per cent for the Home Mission Board.

The Convention met its 1955 budget in October, 1955, after which all receipts through Dec. 31 from the Cooperative Program went directly to these two missionary boards.

Approval of a budgetary transfer whereby the Brotherhood Commission may use \$35,000 capital funds in 1956 originally designated for American Baptist Theological Seminary, Negro seminary in Nashville, is asked.

In 1958, the \$35,000 earmarked for Brotherhood capital uses will be given instead to the Negro seminary, if the recommendation is approved.

The Executive Committee also will recommend that all budgets of Southern Baptist boards, agencies, and seminaries, remain within the Convention's financial and business plan in order to be eligible for Cooperative Program distributions.

COOPERATIVE PROGRAM IS
'INDISPENSABLE CHANNEL'

NASHVILLE--(BP)--Continuation of the Cooperative Program as the "indispensable channel" through which Southern Baptists give financial support to their work will be recommended to the Convention at its 1956 session.

Merrill D. Moore, of Nashville, director of promotion for the Convention's Executive Committee, will present the recommendation.

The Executive Committee serves as a clearing house for Cooperative Program funds. The Executive Committee receives funds from the various state Baptist conventions (which get them from individual churches) and distributes them according to a prescribed percentage to each of the agencies, boards, and seminaries supported by the Convention.

The Executive Committee also furnishes tracts, posters, and other literature describing the function of the Cooperative Program.

Moore's statement of recommendation is:

"That we reaffirm our conviction that the Cooperative Program of Southern Baptists is the fundamental, effective, and indispensable channel of providing for the needs of all our work: and that we continue through every means at our disposal to urge all Baptists to join in giving the Cooperative Program their loyal and undivided support."

TRUSTEES CONFIDENT OF
WAKE FOREST PRESIDENT

WINSTON-SALEM, N. C.--(BP)--The executive committee of the trustees of Wake Forest College has unanimously endorsed the administration of College President Harold W. Tribble.

The executive committee of the trustees, in a statement issued after a closed-door session, deplored "the continued agitation directed at the administration of the college" by some alumni factions.

The prepared statement described Tribble's achievements as "imposing and highly commendable" and the integrity of the administration as being "above question."
