DREAM NOW REALITY
FOR CALIF. BAPTISTS

FRESNO, Calif.--(BP)--What has been a dream for California Southern Baptists for the past fourteen years is now becoming a reality. The "green light" has been given to start construction on the first cottage of California Baptist Children's Home. The new site for the home, named Sunny Crest, is located in Bakersfield.

California Baptists began to collect money for the building of the home as soon as the convention was organized fourteen years ago.

N. O. SEMINARY IS
"ONE OF TEN BEST"

NEW ORLEANS, La.--(BP)--Want a good clean place to eat? Then go to the New Orleans Baptist Theological Seminary's cafeteria. The cafeteria is now "one of ten best" in the nation so says Institutions magazine.

The Seminary cafeteria was given an award for the "highest standards of sanitation, superior efficiency..in storing, handling, preparing and serving food." This was in connection with a national food service contest conducted annually by the magazine. The Seminary competed with the best hotels, hospitals, restaurants, industrial plants, schools, and colleges from the United States and Canada in winning the award.

Judging in the contest was done by leading authorities from the various segments of the mass feeding field.

CARVER SCHOOL OF MISSIONS
ACQUIRES RESIDENCE HALL

LOUISVILLE, Ky.--(BP)--Carver School of Missions and Social Work started the 1954-55 school year off with an enrolment of 102, three new faculty and staff members, and a newly acquired residence hall.

New faculty and staff members are Robert J. Lehman, Louisville psychiatrist, John Allen Moore, missionary on furlough from Switzerland, and Miss Mary Lee Rankin, formerly student director at William and Mary College.

The residence hall recently acquired by the school was built in 1854 and moved from the campus of Southern Seminary before buildings were erected on the site. The addition of this property enlarges the campus to eight and one-fourth acres.
