INFORMATION FOR EDITORS---

The enclosed mats contain the registration form to be filled in by those applying for rooms during the Southern Baptist Convention in Louisville next year. The forms indicate that no reservations will be accepted if applications are mailed prior to Dec. 1. Also a check for \$10 is to be enclosed with each reservations request. Mailing address is contained on the form. Additional reservation cards may be obtained from that mailing address.

To give persons in all states equal opportunity to make the earliest possible reservations, we are suggesting that mats be run in papers dated the calendar week beginning Nov. 9.

Thank you.
